OUTSTANDING QUESTIONS FOR TECH

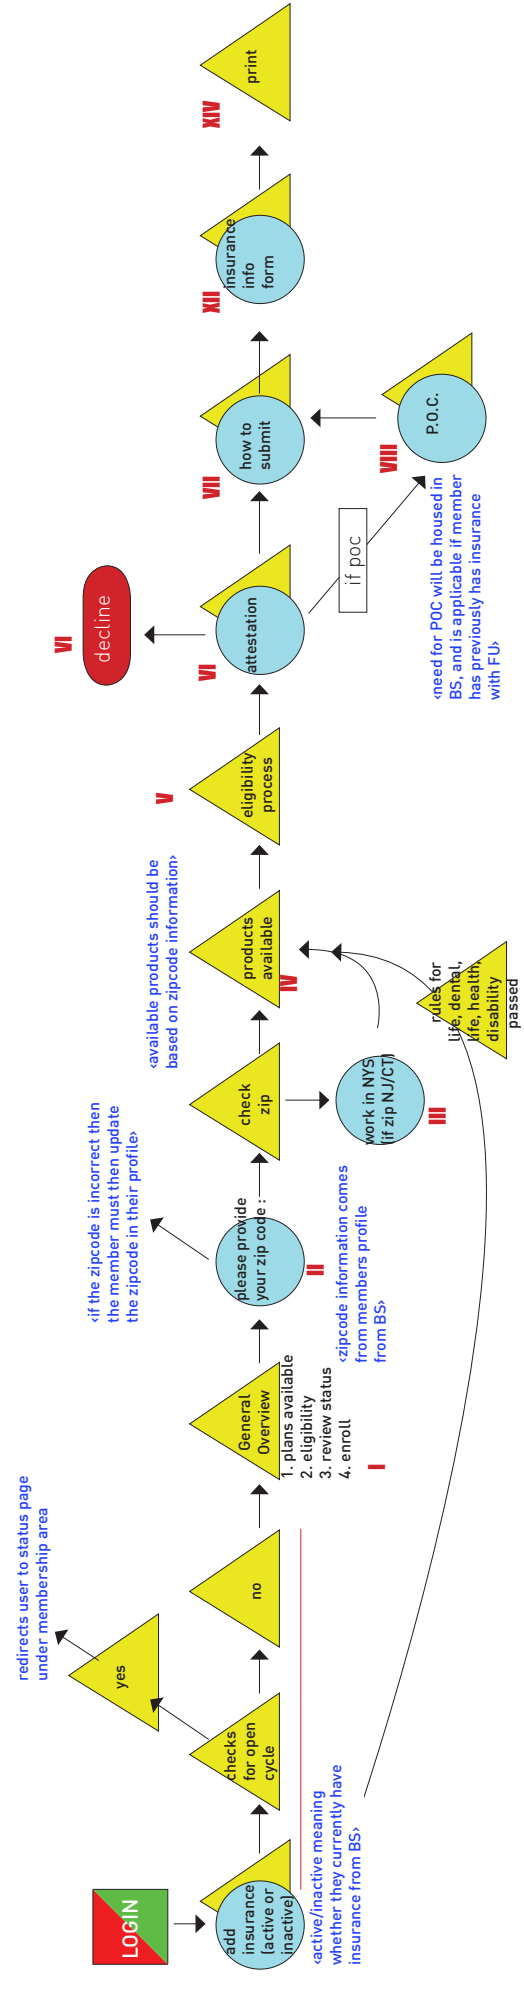

- entry of client & biz info can this be done online? MAYBE
- for the printing feature at the end can we make it print friendly web page as opposed to a pdf?

basic breakdown of flow

1. how to qualify : 10k or 20 hours
2. own biz : client info, ny client info, own biz form
3. POC

?- can we capture client/biz info electronically? if not we need a print-friendly web page

need to be able to come back to a saved session

Eligibility

attestation

In order to qualify, you must be an "independent worker". Examples of independent workers include freelancers, independent contractors or consultants, temporary workers, part-time employees, and people who are self-employed or who work for multiple companies at the same time.

If you're a full-time, permanent W-2 employee, you will not qualify.

The question(s) below will determine if you meet this requirement.

1. How are you currently paid for the work you do? Select all that apply:

- My clients pay me a fee for services I provide. Income taxes are NOT withheld from my payments. I receive 1099s at the end of the year and/or report my income on a Schedule C.
- I sell my original artwork, designs, music or writing (or the rights to use them).
- I receive regular paychecks from my employer, employment agency or payroll service. Income taxes are withheld from my paycheck and I receive a W2 at the end of the year

If you're unsure how to respond to this question, please contact Member Services at 718-222-1099 and select option 1 from the menu.

.4.

2. Select the option below that best describes your work situation:

- I am paid by an employment agency or payroll service. I am not paid directly by the companies I do the work for.
- I own my own business and I am the sole employee.
- I own my own business and have at least one employee other than myself
- I am a full- or part-time employee of a company or organization that I do not own. I am paid directly by this company.

.5.

3. What is your employment status?

- Part-time (as defined by my employer)
- Full-time (as defined by my employer)

.6.

4. How long will your full-time employment last?

- Permanent – I will work for my employer indefinitely until I choose, or my employer chooses, to terminate my employment.
- Non-permanent – I will work for my employer for a pre-determined, finite period of time or for a specified project(s). My employment will not continue indefinitely.

.7.

submit

Notes

1. Navigation/Copy :start here
2. Copy : title
3. Copy : body copy
4. Quesiton 1 : copy with checkboxes.
If 1099 and/or sale of artwork are selected, they are an independent worker.
If ONLY W2 is selected, move on to question 2.
5. Question 2 : copy with radio button choices
If either of the first 2 options is selected, they are an independent worker.
If option 3 is selected, they are not an independent worker, they are a small or large business owner and do not qualify.
If the last option is selected, move on to question 3.
6. Question 3 : copy with radio button choices
If Part-time is selected, they are an independent worker.
If Full-time is selected, move on to question 4
7. Question 4 : copy with radio button choices
If Permanent is selected, they are a full-time, permanent W2 employee and do not qualify.
If Non-permanent is selected, they are an independent worker.
8. Button : take user to next page

 - b. Form drop down (need drop down values)
8. Gender (read only at all times)
9. Icon/Function trigger : see behavior in appendix, this notification will be for users if they have a need to change their gender in their member profile
10. Contact Information
 - a. Copy
 - b. address 1 : read only
 - c. address 2 : read only
 - d. city : read only
 - e. state : read only
 - f. zip : read only
 - g. home phone : read only
 - h. cell phone : read only
 - i. daytime phone : read only
 - j. Edit button
11. Submit button

Copy Notes

- Copy needs to reflect that for this part of the process they need to give us their home contact information and that they will be able to change to a different billing address once they enroll with their Provider of choice

Development Notes

- Can we reuse the same interface that the user first users when they are registering to edit the contact information here
- Needs to be logic that either cell phone or home phone is primary #
