More Gluten Free options at Magnolia BakeryPosted by **FOOD NETWORK** on 1/17/09

While I love the cupcakes and cakes, I have to fly solo when I go. My best friend can't eat anything because they don't offer any gluten-free options. Would love them to introduce a line or at least a few gluten-free products.

Warnings about Peanut allergiesPosted by **Seanjean87** on 1/13/09

The waitstaff at Chan Pen on W. 51st St. wasn't able to answer my question about the dessert containing peanuts nor did they care to find out for me. Luckily I caught it before I took a bite. I think all menus at NYC restaurants should list any dishes that may have anything related to peanuts for those of us with peanut allergies. It's a growing epidemic and a potentially dangerous one. These few words could save restaurants and their customers from a lot of trouble.
